Spotlight On: Tumblebooks for Kids!

What are Tumblebooks?

Tumblebooks are children's books come to life online—literally! Music, animation, sound, and narration have been added to picture books like *The Paper Bag Princess*, *Diary of a Worm*, and *How I Became a Pirate* to create a reading experience that kids will love.

Tumblebooks now also includes a set of books for older children, such as *Black*

Beauty and *Alice in Wonderland*.

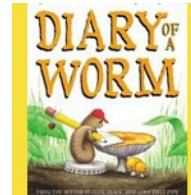

In addition to the animated books, which allow kids to read at their own pace and follow along with the narration, Tumblebooks has a collection of audiobooks, puzzles and games that reinforce concepts from the books, and language-learning titles in Spanish and French.

Who should use Tumblebooks?

Anyone can use Tumblebooks, but it's especially fun for young children and their caregivers and educators. Tumblebooks can be used for storytimes, in groups, or individually, and they are easy

enough for even very young children to navigate.

How do I use Tumblebooks?

Go to the [library's website](#). On the left-hand side, click *Online Databases*. Tumblebooks is the second one on the list.

There is also a link to Tumblebooks from the Children's Department page. You must go to Tumblebooks from the library website or you will be denied access.

Comments? Questions? Suggestions?

Is there something you'd like to see in *Between the Pages* that isn't here? Send any comments, questions, or suggestions about the library newsletter to Kimberly Francisco, Library Services Coordinator, at kfrancisco@huntsvilletx.gov. Thanks for your input!
